Project Director of Administration

Project Communications Officer

POV Authorization for Personnel assigned PCS to EAFB

1. It is requested that a policy decision be made on the matter of POV authorization for personnel assigned PCS to Edwards AFB.

2. The isolated nature of Edwards Air Force Base in relation to living quarters and the lack of public transportation dictates that employees use their own automobiles whenever possible. This is particularly applicable for employees assigned PCS to Edwards Air Force Base. In consideration of the transportation difficulties at Edwards Air Force Base and the relatively long tenure of PCS personnel at that post, it is thought necessary and reasonable that privately owned vehicles be taken to Edwards Air Force Base for PCS assignees. Such authorization would preclude a loss of annual leave during the driving period to Edwards Air Force Base.

3. As this office has two assignees departing for Edwards Air Force Base on 6 January 1958 it is requested that a favorable decision be reached as soon as practicable.
